

## MATH 1550, Sec. 13

**Classroom:** 134, Lockett  
**Time:** M, T, W, Th., F: 11:40 - 12:30  
**Course:** Calculus I  
**Text:** CALCULUS Early Transcendentals  
**Author:** Jon Rogawski

**Course Syllabus:** Chapters 2, 3, 4, 5, 6, 8

**Name of Instructor:** Padma Sundar  
**Office:** Lockett 316  
**Office Hours:** Tues. and Thurs. 9:30 - 11:00  
**Course Requirements:** 3 Tests (Each counts for 15% of the course grade)  
Final Exam ( 25% of the course grade)  
WeBWork assignments (15% of the course grade)  
Friday Quizzes (15% of the course Grade)

**Grade:** The course grade will be decided by averaging the scores from the tests, the final examination, the WeBWork assignments, and the quizzes. The cut-off points for course grades are:

A: 90% - 100%

B: 75% - 89%

C: 60% - 74%

D: 45% - 59%

The course will emphasize conceptual understanding of the material in addition to problem solving. The theory as well as applications of Calculus will be discussed in class. There will be a quiz each Friday. Homeworks will also be assigned through WeBWork. Attendance of classes is very important.
