

Association for Women in Mathematics

LSU Student Chapter

Zuhal Yeter (Unlu)

About AWM

- Founded in 1971

Purpose:

- to encourage women and girls to study and to have active careers in the mathematical sciences
- to promote equal opportunity and the equal treatment of women and girls in the mathematical sciences

About AWM

AWM currently has more than 3000 members (women and men) representing a broad spectrum of the mathematical community from the United States and around the world.
