Monograph

- First edition, 1994
- Second corrected printing, 1996
- Second edition, 2002
- Second printing, 2004
- Third printing, 1998
- Third printing, 2005
- Third edition, 2008

Refereed Articles

In Print

In Press

Submitted for Publication

70. S.C. Brenner and M. Neilan, Finite element approximations of the three dimensional Monge-Ampère equation

71. S.C. Brenner, L.-Y. Sung and Y. Zhang, Finite element methods for the displacement obstacle problem of clamped plates

73. S.C. Brenner and K. Wang, An iterative substructuring algorithm for a $C^0$ interior penalty method

Chapters in Book

- S.C. Brenner, $C^0$ Interior Penalty Methods, to appear in Frontiers in Numerical Analysis
